

IT Specialist

Opportunities

An experienced computer technician is needed to maintain and update computers at Taylor Christian School in McAllen, Texas. Taylor has two computer labs with nearly 30 computers. This ministry could be combined with a teacher's aide position. The position does not require full-time hours, so the computer technician would be able to help with other responsibilities and ministries as needed.

Qualifications

Applicants must have knowledge and training in computers, software, internet installation, and usage.

Language Requirements

English is required, but Spanish will be helpful as many children and families in the area speak only Spanish. Spanish language school is required for full-time missionaries.

Location

McAllen, Texas

Length of Service

- Short-term: six weeks to a year
- Long-term: two or more years

Ministry Description

Taylor Christian School and Taylor Community Center share a campus in McAllen, Texas. The school uses a curriculum based on A Beka, Saxon math, and other materials to provide an individualized, quality Christian education. Physical education, computer, music, and art classes are also offered. Age-appropriate chapels are held each Friday; and throughout the year, each grade level has opportunities for doing community service and developing servant-leaders.
