

El Camino Restoration Home Educators

Opportunities

Single men are urgently needed to serve at the El Camino Restoration Home outside Santa Cruz. El Camino is owned by Youth With A Mission, a strategic ministry partner of WGM Bolivia. Boys ages 8 to 17 are rescued from life on the streets and brought to El Camino. While at the home, the boys participate in sports while receiving an academic education and vocational training in a Christ-centered environment. Residents stay at El Camino until they graduate from high school.

Educators will support the full-time Bolivian staff members who serve at El Camino in the day-to-day running of the home. They will work some days and some nights at the home to establish friendships and encourage each boy to have a personal relationship with Christ. Educators meet regularly with YWAM staff for progress meetings and report to WGM Bolivia and the YWAM local director.
