Ministry Description

Berea Bible Seminary trains pastors and church leaders in Bolivia for Christian service, preparing them for a variety of ministries within World Gospel Church in Bolivia. The school began as Berea Bible Institute in Santa Cruz, Bolivia, in 1955 and was started by WGM missionaries Garnett and Sunny Townsend and Meredythe Scheflen. With the help and knowledge of seminary graduates, the national church has grown to more than 120 congregations throughout Bolivia. The school offers three degrees, including a certificate in Bible, a diploma in Bible, and a diploma in theology. Today, the seminary holds classes on three campuses—Santa Cruz, Cochabamba, and Trinidad. The Trinidad extension provides a Theological Education by Extension program that reaches out to different locations in the department of Beni.
