

Director of Finance

Opportunities

Serve in this key role by providing financial oversight of funds and financial records for WGM Kenya. This position entails working with Kenyan staff, WGM personnel in the States, local banks, businesses, and governmental agencies. You will enjoy interacting with a variety of people and organizations while dealing with financial matters. As God provides WGM and its personnel with donations to assist with the needs in Kenya, it is a privilege to facilitate the transfer of these funds.

Requirements

Preferably, the field treasurer should have training in generally accepted accounting principles; knowledge of computers, budgeting, and cash flow; a willingness to drive in the city; and a bachelor's degree in accounting, management, or finance. Experience in nonprofit accounting is desirable.

Training Provided

Prior to leaving for Kenya, WGM Headquarters staff will provide training in specific job responsibilities. Additional training is provided by WGM Kenya staff.

Location

Nakuru, Kenya

Length of Service

- **Short-term: four weeks to one year**
- **Long-term: two or more years**

Ministry Description

World Gospel Mission's work in Kenya is as rich and diverse as the country itself. The landscape ranges from grasslands to large cities, the climate varies from tropical to arid, and the gap between the very rich and very poor is immense. But no matter where or how they live, Kenyans need to know Christ. Through medical ministries, community health and development, church ministries, education, and much more, WGM seeks to make Christ known in Kenya.
