

Maintenance Personnel: Plumber

Opportunities

Maintenance personnel with a specialty in plumbing are needed at a medical ministry in the Middle East. You will have the opportunity to contribute as part of a general facilities maintenance and repairs team. Work will include construction, electrical, plumbing, and grounds keeping.

Qualifications

Applicants should have a strong biblical foundation with a vibrant and growing relationship with Christ and an active prayer life. Training and experience in maintaining plumbing systems with an ability to execute projects is desired.

Language Requirements

For long-term workers, Arabic language training is preferred.

Location

Middle East (inquire for specific location)

Length of Service

- Short-term: nine months to two years
- Long-term: two or more years

Ministry Description

Come join this well-established medical ministry serving a local Muslim people group in the Middle East. The ministry specializes in providing extensive, loving care for those suffering from chronic diseases. There is a need for trade workers to use their gifts and abilities to help bring true and lasting hope to these people.

Cause

- Support

Quick Facts

- Arabic is one of the five most spoken languages in the world.
- Islam is the second-largest religion in the world with approximately 1.7 billion adherents, comprising about 23 percent of the world's population.
- According to Joshua Project, the vast majority of the world's unreached people groups are part of the Muslim faith.
