

Maintenance Personnel: Electronics

Opportunities

Maintenance personnel with a specialty in electronics are needed at a medical ministry in the Middle East. You will have the opportunity to contribute as part of a general facilities maintenance and repairs team. Work will include construction, electrical, plumbing, and grounds keeping.

Qualifications

Applicants should have a strong biblical foundation with a vibrant and growing relationship with Christ and an active prayer life. Training and experience in maintaining electronic equipment and systems with an ability to execute projects is desired.

Language Requirements

For long-term workers, Arabic language training is preferred.

Location

Middle East (inquire for specific location)

Length of Service

- Short-term: nine months to two years
- Long-term: two or more years

Ministry Description

Come join this well-established medical ministry serving a local Muslim people group in the Middle East. The ministry specializes in providing extensive, loving care for those suffering from chronic diseases. There is a need for trade workers to use their gifts and abilities to help bring true and lasting hope to these people.

Cause

- Support

Quick Facts

- Arabic is one of the five most spoken languages in the world.
- Islam is the second-largest religion in the world with approximately 1.7 billion adherents, comprising about 23 percent of the world's population.
- According to Joshua Project, the vast majority of the world's unreached people groups are part of the Muslim faith.
