Biography

We love because he first loved us. (1 John 4:19 NIV)

God placed serving overseas as a missionary in my heart while I was attending Bethel College (Indiana) in 2006. After student teaching in Nairobi, Kenya, I knew in my heart I would be back in Africa. I have patiently waited for God's perfect timing, and He has graciously opened the doors through WGM. My life passion is to simply share the gospel and hope of Jesus Christ with the hurting, orphaned, and widowed. I am so excited to be where God has called me, and I am so thankful for His faithfulness every step of the way.

I will serve with [Community Health Evangelism](#) and the [University Discipleship Movement](#) in addition to working with refugees from neighboring countries. I'm honored to bring truth, eternal life, and abundant life through Jesus Christ to whomever the Lord puts in front of me.

He said to them, "Go into all the world and preach the gospel to all creation." (Mark 16:15 NIV)
