ID: 03996 Country: [USA: Texas/Mexico Border](#) Region: North America

Biography

We serve in McAllen, Texas, on the Texas/Mexico Border.

During our college years, we began volunteering our time in many different capacities in the local church. We had always felt fulfilled in volunteering, but never felt a burden to be missionaries. After college, we were married and continued volunteering at our church. We became involved in short-term mission trips while we served in Family Ministries with the youth group—we loved it! Once J.T. completed the ordination process, we were seeking God and asking Him how He would have us serve. God opened our eyes to the mission field and becoming full-time missionaries.

We have answered the call of the Lord to serve with World Gospel Mission on the Texas/Mexico border. God has opened the doors for us to serve in the area of marriage and family ministries. Discipling and encouraging families and new believers will allow God's love to spread beyond the Rio Grande Valley and into Mexico.
