Biography

Kenneth: I cannot thank God enough for my life. Serving Him in Uganda is very humbling, and I am beyond blessed to have that privilege. I owe Jesus my all, and I desire for my life to be a testimony of my devotion to Him. Serving in the printing ministry at The Print Shop is a thrill. Reaching many with God's written Word through discipleship materials and Bible studies and helping remote tribes learn how to read their own language is what it is all about! Not my will, Lord, but Yours be done.

Delight: I am so blessed to serve Jesus in [Uganda](#). I have begun a new ministry called Delights—A Ministry Helping Ministries. God is allowing me to use my baking abilities to build relationships and to reach hearts and homes with baked items. All profits from the sales of the baked items help fund WGM Uganda ministries already established, such as Women's Cycle of Life, Island Orphan Ministries, and more. I love building relationships, and God is using this ministry to do just that. The Lord has opened doors for ministry, and I look forward to what He will continue to do through me.
