Biography

I was called to the [Africa Gospel Church Baby Centre](#) when it was still being constructed in 2005. I have been involved in construction for more than 30 years, and I felt the Lord calling me to come and help. While at the baby center, I began feeling the Lord calling me to do something else, something more. After many years of short-term missions trips, I felt that my wife, Dana (August 24, 1967-January 13, 2017), and I were being called to full-time ministry.

When you go in obedience to God's calling and surrender your life to Him, miraculous things happen. The AGC Baby Centre is a home for orphaned and abandoned children ages newborn to 4 years old. Our goal is to place them into forever families through legal adoption as soon as possible. I also serve with the local church in ministries such as in-country missions, church planting, and outreach to commercial sex workers.
