

John and Beth Muehleisen

ID: 06790 Country: [Uganda](#) Region: Africa

Biography

We continue to learn, day by day, that God is incredibly faithful to us. We are grateful that we've been able to serve with WGM for many years as missionaries to Kenya and Uganda, most recently helping to train African evangelists, church planters, and missionaries.

Our passion is to see African leadership blossom and take increasing leadership roles in fulfilling the Great Commission. The young men and women we have worked with are moving into key leadership positions and doing far more than we as missionaries ever could.

John serves as the regional strategist for WGM Africa, working with Mission and national church ministry teams to clarify goals, develop plans, and execute with discipline and excellence. Beth serves as business manager for WGM [Uganda](#). Together, we are the Community Health Empowerment coordinators for East Africa

As we continue working in leadership development, we find that God's leading remains sure. And as we celebrate together the great things that God has done, we also believe that God has good things for us in the future.
