Biography

While teaching in northern Kentucky in the late 1980's, we sensed God calling us to work in cross-cultural missions. We're so thankful that He led us to World Gospel Mission and allowed us to serve in Bolivia as teachers at the Santa Cruz Christian Learning Center and as members of the Cristo Viene Church from 1994 to 2018. What a blessing!

Words can't express how much God did for us there, how much we learned from the Bolivian people, and how enriched our lives have been because of our experience. Yet, in 2016 we began to realize that everything has its time and that the time was approaching for us to move on from Bolivia. After praying for two years for the Lord's clear guidance, He confirmed to us that we should continue to serve Him cross-culturally in missions, but that for now we should serve in the United States. Now, we have been appointed to WGM's ministries on the [Texas/Mexico Border](#).

We will undoubtedly continue to be involved in education, community outreach, and church ministries. Whatever our roles are, our goals are to love as Christ loves and to live and proclaim the Truth of His Word. Our prayer is that the Holy Spirit will work through us to help many people on the border come to know the only true God and His Son Jesus Christ. We pray that knowing Him, they will fully consecrate their lives to Him, grow in Him, and live to glorify Him.
