Biography

My name is Kaleena Wiseman. I am a wife and mom of four children. I have been an early childhood professional for over twenty years. I have a passion for working with children (and their families) who have special needs or have experienced trauma. As a mid-term volunteer I will be traveling to different fields and working with missionaries, staff, volunteers, etc. on how to best reach these populations.

For my first assignment, I will be going to the Texas/Mexico Border and working with the staff and missionaries at the Taylor Christian Center. I am excited and looking forward to serving in this ministry.
